IQAC Action Plan for the Academic Year 2022-2023

Some long-term and short-term plans for the academic year of 2022-23 have been drafted out by the IQAC. The IQAC planned to attain the following goals within the session-

Short-term goals-

- There will be a major focus on **Career Counselling**. Experts or Speakers from different fields will be invited to educate the students about different career options.
- There will be special focus on organising programmes like **Seminar/Webinar/Lecture Series/Educational Tours**.
- The college will organise professional training programs or workshops for teaching faculty.
- The college will organise administrative training programmes for non-teaching staff.
- The college will organise a workshop on **Professional ethics and Stress management**.
- The college must organise **Annual Cultural Programme**.
- Free and Fair Election of Students Association will be ensured.
- The College will organise Annual Sports on large extent.
- In order to inspire and motivate sports talents the college will focus on sending college sports teams to district and university level games tournaments.
- The College will constitute PTA for the session and ensure active participation of the body.
- There will be a provision of free coaching classes of competitive examinations for the students.
- The college will take feedback from all stakeholder of the institution.
- The college will analyse feedback of all stakeholders.
- The college will conduct **AAA & green audit**.
- The college will undertake extension activities through NSS and various Committees or departments like adopting village, organising rallies, poster, essay, speech, singing competition, debate, quiz, street play on different social issues to create awareness among the students and society.

Long-term goals-

- The college will work for **holistic development** of the students.
- The college will focus on strengthening of **teaching learning process**.
- The college will work for **institutional collaborations to create a network for sharing resources**.
- The college will work for **environment conservation**.
- For attainment of the vision of the institution the college will **increase social engagement**.
- The college will upgrade its **Internal Quality Assurance System**.
- The college will establish a '**Academic Affair Advisory Council**'.
- The college will focus on **Institutional distinctiveness**.
- The college will develop research facilities in the college.
- The college will work for **New Courses and professional courses**.
- The college will develop a **Smart class** to ensure effective teaching learning process.
- The college will develop e-library for better management of reading resources.
