

Best practice1

Title of practice-Social Engagement for youth empowerment.

The main objectives:

- 1.Increase community awareness through various programme.
- 2.Inculcate humanitarian approach among youth.
- 3.Organize team work in the society.
- 4.Conduction of various voluntary works by NSS

The practice:

National days and various international commemorative days and events are celebrated enthusiastically.

Tree plantation drives are organised.

Our college has collaboration with CHC Hindolakhil and Police station Hindolakhil.

Evidence of success:

Various activities organized by college resulted in the overall development of students.

Problems Encountered:

- 1.Tough topography.
- 2.Paucity of funds and dearth of transportation facilities.

Best Practice 2

Title : Efforts in Environmental Conservation.

Objective: Encouraging environmental consciousness.

- 1- Installation of solar cell to reduce energy consumption.
- 2-College has organised workshops, campaigns and webinar in the past related to environmental issues , forest department etc.
- 3-Concluded cleanliness drive in campus.
- 4-A workshop on elimination of single use plastics was being organised by the college.

Evidence of success:

•Increased use of reusable products such as glass bottles, reusable bags, and reusable cups by the community.

Problems faced

- 1- lack of funds.

2- weak transportation facilities.
